

Stamford Planning Board Meeting

November 8th 2016. 7PM

Attended by: Kevin Prior, Aree Bray, Jean Kopp, Jim Kopp and Sean Leddy from the County Planning Dept. Absent: Wesley Navarette, Secretary

Sean introduced himself to the board and passed out the SEQR Cookbook to everyone. He also said he was there to get to know us and find out what we were hoping to accomplish. We discussed what a planning board can and cannot do and what education we would need. He told us he will be attending all our meetings and said he was not aware we had already met once. Our next meeting will be held December 13, 2016 at 7PM.
