Dear Village of Stamford Dog Owners,

It is my pleasure to introduce a new dog registry program I am instating for your benefit. This program will be completely voluntary; however it would be in your best interest to register your dogs to aid me in the event that your pet is lost or stolen. As a pet owner, my dogs are licensed with the town, but tags fall off, break and get worn out, therefore the dogs are hard to identify. If you are interested in being part of my animal database, please fill out the information below, attach a photo or call me to come and take one and return the completed form to me. Please feel free to copy this sheet if you have more than one dog, or pick up additional sheets at the village hall. If you have any questions or concerns, please feel free to call me. Thank you for your time and assistance in this matter.
