1. Approval of Minutes – December 21, 2021 (Are there any corrections, additions, deletions? – So Moved!)
2. Sales quote for purchase or lease for new copier. Our current copier is having some issues so we would like to get a newer version with the exact same functions. The clerk acquired two quotes from our current vendor, Electronic Business Products, one for a purchase and one for a lease. Jamison also received a quote from PDQ for a similar copier with a lease to own option.
